Dear Parents & Carers

Mobile Phones / Electronic Devices

We recognise the need for some children, who walk to school by themselves, to have a mobile phone with them when they arrive at school.

If your child is going to bring a mobile phone to school we ask that written permission be given. Please complete and return the form overleaf to enable us to keep a record of who will be bringing a mobile phone to school and how many to expect.

We ask that children hand their mobiles in to their teachers at the beginning of the day for security and safety reasons.

If your child needs to attend before or after school club they should hand their phone to the S4A staff member there for safekeeping during the sessions.

This letter and consent form will be available throughout the year on our school website and we ask that parents and carers update us accordingly if there are any changes to permissions given.

Thank you for your continued support.

Harry Sperring
Headteacher
