Wednesday 2nd November 2016

Dear Parents & Carers

Let's Walk to School! Initiative 2016/17

As part of our School Travel Plan and our constant desire to support creating a walking nation we will be continuing with this exciting initiative in November. We have attached a helpful information leaflet outlining the aims of this scheme.

Under the scheme children are encouraged to walk to school at least once a week and when they do to report this to their teacher who will tick off their name on a classroom list. If they do this they will then receive a Living Streets badge at the end of the month with eleven different badges to collect! The badges were designed by pupils in the Living Streets annual badge design competition and made in the UK from recycled yoghurt pots.

As we are starting this a little bit late in November children who have walked to school in September and October will be entitled to claim their badges retrospectively.

We appreciate your support in this Initiative.

Sara Boyce
Headteacher
